

## ***A great man in life... A great man in death.***

Dr APJ Abdul Kalam was a truly inspirational figure. A humble statesman, an excellent teacher, a noble human being, his words of wisdom will stay on in our hearts. We, the team at NPSI Mysore, have decided to pay our respects to this great man by doing what he always wanted teachers to do... work to make a change to people closest to his heart –

students. With hearts heavy at the loss of a visionary, a man who had surpassed petty boundaries of religion, caste, creed, language, teachers at NPSI Mysore truly feel the best homage to this great soul would be to work in his memory to contribute to change, he so wanted. The team at NPSI Mysore salute Dr APJ Abdul Kalam in word and spirit.

***May his soul rest in peace!***
